

2002-03 Implementation Grant Certification Year-Round Schools Implementation Grant Program

County and District Code	District Name
District Representative	Telephone

The Governing Board of the above-named school district certifies that:

- a. The information reported is true and accurate for:
 - 1) School District Enrollment Excess Capacity Calculation, Form IMP-04;
 - 2) Implementation Grant School(s) Grant Application, Form IMP-05R; and
 - 3) Proposed Implementation Grant School(s) Budget, Form IMP-B;
- b. The school district will use the grant to plan a multitrack year-round program in the school(s) included in the application (Form IMP-05R), and that these schools are designed for an increased capacity of at least 20 percent. Implementation of the MTYRE program will occur within two years after the grant is received. If a school site does not operate on a multitrack year-round basis in the second year following receipt of the grant, the school district must repay the grant with interest within a one-year period. (Education Code Section 42262(c));
- c. The school district would be eligible to construct new facilities under Chapter 12.5 of the California Education Code (commencing with Section 17070.10) of Part 10 absent the use of MTYRE programs as documented by State Allocation Board Form 50-03 on file with the Office of Public School Construction or as documented by Form IMP-04;
- d. The Implementation Grant for said school(s) is consistent with the district's school facilities Master Plan;
- e. The district declares that other educationally sound alternatives to MTYRE programs to reduce overcrowding are not feasible.

I hereby certify that the statements set forth in this application are true and accurate to the best of my knowledge and belief, and the submission of this application for funds is authorized by the Governing Board of the above-named school district.

Signature of District Superintendent or
